Press Release

BKS SURVEYS APPOINT BUSINESS DEVELOPMENT MANAGER

BKS Surveys, a leading provider of geo-information solutions to government and private sector clients, has expanded its sales team with the appointment of Chris Boreland to the role of Business Development Manager for Ireland. Chris will be responsible for identifying and securing new business opportunities in key sectors such as infrastructure, environment and Local Government. Chris comes to BKS having acquired over 5 years commercial sales and customer relations experience. He has a Post-Graduate Diploma in GIS and is currently completing a Masters degree in GIS. Chris has an excellent insight into the industry and will be working with clients to ensure the company's products meet real business needs. .

Notes to Editor

ABOUT BKS

BKS Surveys Ltd is a major supplier of geo-spatial data services to Government and Private Sector Business's in the UK and Ireland. From its Headquarters in Coleraine the company provides a range of topographical and terrain surveying services using land and aerial techniques. Customised 2 & 3D geo-spatial information can be provided for a wide range of applications: e.g. planning, water engineering, transportation, power transmission, utilities, land management, architecture, visualisations, environmental impact studies, etc. An ISO 9001:2000 approved company, BKS assists clients with the development and integration of their geospatial data into a functional Geographical Information System or specific Software Application.
