## **AND THE AWARD FOR 'PARTNER OF THE YEAR' GOES TO....**

BKS Surveys, has been named as the 'FLI-MAP Partner of the Year' by Dutch company Fugro Inpark BV, as part of their '4<sup>th</sup> International FLI-MAP Partner Day' event held in September.

This prestigious award was presented to the BKS team by Huug Haasnoot Msc, Director of Aerial Acquisitions at Fugro, who commended BKS on the exceptional quality of their work and tremendous efforts in ensuring that the introduction of the FLI-MAP 400 system has been a huge success across the UK and Ireland.

So far this year, BKS have won major projects with the Environment Agency and the Highways Agency in the UK and consultants Mott MacDonald and Royal Haskoning, using this system.

Alan Campbell, BKS Production Director (pictured), commented 'We are delighted to be recognised as the most successful FLI-MAP partner so far this year. We believe that the firm synergy which exists between the two companies and our strong work ethic will ensure our relationship continues to thrive.'

## **Notes to Editor**

### **ABOUT BKS**

BKS Surveys Ltd is a major supplier of geo-spatial data services to Government and Private Sector Business's in the UK and Ireland. From its Headquarters in Coleraine the company provides a range of topographical and terrain surveying services using land and aerial techniques. Customised 2 & 3D geo-spatial information can be provided for a wide range of applications: e.g. planning, water engineering, transportation, power transmission, utilities, land management, architecture, visualisations, environmental impact studies, etc. An ISO 9001:2000 approved company, BKS assists clients with the development and integration of their geospatial data into a functional Geographical Information System or specific Software Application.
