FUGRO-BKS's COMMITMENT TO HEALTH & SAFETY IS OFFICIALLY RECOGNISED

Coleraine-based airborne survey company, Fugro-BKS Ltd, has achieved OHSAS 18001 certification from the British Standards Institute (BSI). This is an internationally recognized assessment specification for occupational health and safety management systems.

Achieving the health and safety standard recognises Fugro-BKS's continual dedication to the welfare of its employees and customers and to providing a safer working environment.

Alan Campbell, Managing Director said, "Fugro-BKS already has ISO 9001 Quality and ISO 14001 Environmental accreditations, so the achievement of ISO 18001 makes us one of a select group of companies to have achieved full certification for all three stringent industry standards. Our dedicated team of QHSE experts will continue to work towards further improvement in all these areas."
