# News Release

## **FUGRO-BKS APPOINTS NEW SALES MANAGER FOR EUROPE**

Fugro-BKS, a leading supplier of geographic information products and services, has strengthened its sales team with the appointment of Robert Loughran to the role of European Sales Manager.

Robert started his career in the geospatial industry over 20 years ago and has remained in the industry ever since, working in both technical sales and senior business development roles. Robert brings to Fugro-BKS considerable enthusiasm and a breadth of knowledge in the GI and mapping arena. He will assume responsibility for identifying and securing new business opportunities in key European markets across targeted sectors.

### **Notes to Editor**

*Fugro-BKS Ltd is a major supplier of geo-spatial data services to Government and Private Sector Businesses in the UK and Ireland. From its Headquarters in Coleraine the company provides a range of topographical and terrain surveying services using land and aerial techniques. Customised 2D & 3D geo-spatial information can be provided for a wide range of applications: e.g. planning, water engineering, transportation, power transmission, utilities, land management, architecture, visualisations, environmental impact studies, etc. An ISO 9001:2000 approved company, Fugro-BKS assists clients with the development and integration of their geospatial data into a functional Geographical Information System or specific Software Application.*

*The Fugro General Business Principles govern how each of the Fugro companies which make up the Fugro Group conducts its affairs. Fugro employees share a set of core values – honesty, integrity, transparency and respect for people and the environment. We believe that incorporating these values as*

*basic elements of our business dealings will result in professional high quality services to our clients and build the trust of our stakeholders.*

**All Fugro Companies** have a systematic approach to health, safety, security and environmental management in order to achieve continuous performance improvement. To this end, Fugro companies manage these matters as critical business activities, set standards and targets for improvement, and measure, appraise and report performance
